# Xerox<sup>®</sup> VersaLink<sup>®</sup> Color Printer and Color Multifunction Printer

High-performance productivity — personalized.

C500/C505

**Xerox**<sup>™</sup>

# Xerox<sup>®</sup> VersaLink<sup>®</sup> C500 Color Printer and Xerox<sup>®</sup> VersaLink<sup>®</sup> C505 Color Multifunction Printer

Designed for fast-paced workteams, the VersaLink® C500 Color Printer and C505 Color Multifunction Printer deliver a higher level of reliable performance. Cloud connected, mobile ready, app-enabled and easy to customize, the C500 and C505 are your modern workplace assistants helping you excel today and stay ready for the future.

## POWERFUL, RELIABLE, SECURE.

Right out of the box, you'll count on your VersaLink<sup>®</sup> C500 or C505 to make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to qo — hassle free.

Completely re-engineered for superior reliability, the VersaLink® C500 and C505 feature a new hardware design with fewer moving parts, and a more advanced Hi-Q LED print head.

VersaLink<sup>®</sup> devices are loaded with features designed to reduce inefficiency. Device management and user training can be done anywhere with the time-saving Remote Control Panel. Ensure information accuracy with Scan and Fax Preview<sup>1</sup>, and do more with scanned documents with built-in optical character recognition (OCR)<sup>1</sup>.

The most security-minded businesses and governments choose Xerox. We offer a comprehensive approach to print security that includes a powerful mix of built-in features and services that mitigate risk through a vigorous focus to prevent unauthorized access, detect suspect or malicious behavior, and protect data and documents.

Count on superior print quality to make your work look its best. A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy.

#### EASY, EFFICIENT AND ENTIRELY NEW.

The customizable 7-inch color touchscreen (5-inch on the C500), lets you breeze through tasks with mobile-like ease.

Get more done in less time by creating customized 1-Touch Apps<sup>2</sup> to automate

multi-step workflows for individuals or groups. Simply tap your new app to quickly perform the job you configured. And with Simple ID, individual users and groups enter a user ID and password once, to experience fast, secure access to task-specific presets, and commonly used apps on a personalized home screen.

## APP-BASED FLEXIBILITY AND MOBILE FREEDOM.

The VersaLink<sup>®</sup> C500 Color Printer and VersaLink<sup>®</sup> C505 Color Multifunction Printer give you the freedom to work where and how you want — with access to Google Drive<sup>™</sup>, Microsoft<sup>®</sup> OneDrive<sup>®</sup> and DropBox<sup>™</sup> and additional options through the Xerox App Gallery.

VersaLink<sup>®</sup> devices deliver for today's mobile worker with Apple<sup>®</sup> AirPrint<sup>®</sup>, Xerox<sup>®</sup> Print Services plug-in for Android<sup>™</sup>, Near Field Communication (NFC) Tap-to-Pair and Mopria<sup>®</sup>, plus optional Wi-Fi and Wi-Fi Direct.

Learn more about why Xerox is the only choice for today's mobile professionals by visiting **www.xerox.com/Mobile**.

### ENVIRONMENTAL STEWARDSHIP.

VersaLink<sup>®</sup> devices meet or exceed the requirements of the world's most widely recognized certifications for product environmental performance, including EPEAT<sup>®</sup>, which verifies manufacturer claims regarding design, production, energy use and recycling. (See the complete list of EPEAT-verified VersaLink<sup>®</sup> products.)

For more information about our environmental, health, safety and sustainability efforts, visit **www.xerox.com**.

# XEROX<sup>®</sup> CONNECTKEY<sup>®</sup> TECHNOLOGY.

#### Intuitive User Experience

A familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customization.

#### Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to cloud-hosted services that let you work where, when and how you want.

#### **Benchmark Security**

Comprehensive security that includes a powerful mix of built-in features and services to prevent unauthorized access, detect suspect or malicious behavior, and protect data and documents.

#### **Enables Next Generation Services**

Easy integration of Xerox® Intelligent Workplace Services. Enables remote monitoring of service delivery and consumables.

#### Gateway to New Possibilities

Instantly extend your capabilities with real-world apps from the Xerox App Gallery, or talk with one of our partners to design and develop a solution specific to your business needs.

Find out more about how you'll work smarter at **www.ConnectKey.com**.

<sup>1</sup> Available for VersaLink® C505 only.

Xerox<sup>®</sup> VersaLink<sup>®</sup> C500 Color Printer Print.

- 1 500-sheet (C500) or 400-sheet (C505) output tray with tray-full sensor.
- 2 Card Reader Bay for internal Card Reader/ RFID Kit (C500 includes an Internal Card Reader compartment located behind the touchscreen).
- **3 The optional 320 GB Hard Drive** increases the capabilities of numerous app-based functions.

Xerox<sup>®</sup> VersaLink<sup>®</sup> C505 Color Multifunction Printer Print. Copy. Scan. Fax. Email.

- **4** A front-side USB port<sup>1</sup> allows users to quickly print from or scan to<sup>3</sup> any standard USB memory device.
- **5 The 150-sheet Bypass Tray** handles media sizes from 3 x 5 in. to 8.5 x 14 in./76.2 x 127 mm to 216 x 356 mm.
- **6 Tray 1** handles up to 550 sheets with custom sizes of 3 x 7.5 in. to 8.5 x 14 in./76 x 190 mm to 216 x 356 mm.
- 7 A 100-sheet Single-Pass Duplex Automatic Document Feeder (DADF) scans two-sided originals for copy, scan and fax jobs.

- 8 The optional Cabinet (includes stabilizers) provides storage for toner cartridges and other supplies.
- 9 The optional High Capacity Feeder (includes Caster Base) adds up to 2,000 sheets with standard sizes of 8.5 x 11 in. to 8.27 x 11.69 in./216 x 356 mm to 210 x 297 mm.
- **10 Add up to 4 additional 550-sheet paper trays** that handle sizes from 3 x 7.5 in. to 8.5 x 14 in./ 76 x 190 mm to 216 x 356 mm (maximum of 2 additional trays with optional cabinet, maximum of 1 additional tray with High Capacity Feeder).

<sup>1</sup> USB ports can be disabled.

#### INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet the industry's most advanced color touchscreen interface. Whether 7-inch (VersaLink® C505) or 5-inch (VersaLink® C500), it's a user experience that sets a higher standard for customization, personalization and versatility.

By presenting a familiar "mobile" experience — with support for gestural input and task-focused apps that share a common look and feel — fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® C500 Color Printer and VersaLink® C505 Color Multifunction Printer get more work done, faster.

# Xerox<sup>®</sup> VersaLink<sup>®</sup> C500/C505

ConnectKey®

Technology

The VersaLink<sup>®</sup> C500 Color Printer and VersaLink<sup>®</sup> C505 Color Multifunction Printer are built on Xerox<sup>®</sup> ConnectKey<sup>®</sup> Technology. For more information, visit **www.ConnectKey.com**.
